Capacity, financial support, & educational resources for public entities, businesses, and nonprofits focused on COVID-19 recovery. Resources are continually changing and will be updated regularly as resources and opportunities change or expire. Additions, corrections and suggestions to this guide are encouraged.

Greater Topeka Partnership COVID-19 Resource Guide

Capacity, financial support, & educational resources for public entities, businesses, and nonprofits focused on COVID-19 recovery. Resources are continually changing and will be updated regularly as resources and opportunities change or expire. Additions, corrections and suggestions to this guide are encouraged.

I. Public Entities

The **FEMA Public Assistance** program is a grant program to support communities in recovery from a disaster. States, tribal, territorial and local governments, and some nonprofits are eligible.

<https://www.fema.gov/public-assistance-local-state-tribal-and-non-profit>

<https://www.fema.gov/media-library/assets/documents/111781>

Tidal Basin provides expertise on the FEMA process.

<https://www.tidalbasingroup.com/newsroom/covid-19-fema-public-assistance-procurement-reimbursement-process>

The **Kansas Association of Counties** has the Ad Astra Plan for Reopening Kansas Framework and extensive links for reopening resources. Also included on the response page are FEMA programs, open meeting updates from AG Derek Schmidt, national updates and resource links, upcoming events and news.

<https://www.kansascounties.org/>

The **National League of Cities** has a COVID-19 response resource page for local leaders. Resources include information on the campaign to secure direct federal funding, national guidance, and ways to take action. In collaboration with Bloomberg Philanthropies, they have created a database of 1,577 policies from 470 cities.

<https://covid19.nlc.org/>

<https://covid19.nlc.org/resources/covid-19-local-action-tracker/>

BKD CPAs & Advisors has created a Coronavirus Tax and Accounting Resource Center. The resource center has sections for specific industries including: construction, real estate & hospitality, healthcare, financial services, nonprofits, higher education, public sector, manufacturing & distribution, and SBA resources. The public sector page gives an overview of the US Department of Treasury's liquid facility program.

<https://www.bkd.com/covid-19-resource-center>

<https://www.bkd.com/resource/2020/03/covid-19-resources-public-sector-entities>

<https://www.bkd.com/media/more-details-500-billion-municipal-liquidity-facility>

Forward Cities has recommendations for developing rapid-response plans for cities to help entrepreneurs and small businesses. The site features several Kansas entrepreneurs.

<https://forwardcities.org/developing-rapid-response-plans-for-cities-to-help-entrepreneurs-and-small-businesses-in-this-time-of-economic-crisis/>

II. Health Care

Health and Human Services has a variety of federal resources for healthcare providers. Included on the site are the terms and conditions for the CARES Act Provider Relief Fund. Also included on the site are sections on telehealth, mental health and coping, news, testing sites, optimizing ventilators, and grant opportunities and guidance.

<https://www.hhs.gov/coronavirus/index.html>

<https://www.hhs.gov/coronavirus/cares-act-provider-relief-fund/terms-conditions/index.html>

The **Kansas Hospital Association** offers a variety of funding resources, many of which apply across a variety of healthcare providers. KHA hosted webinars on funding resources, cares act, public health and social services emergency funds, ASPR grant, FEMA, Medicare Accelerate/Advance Payment Program, and State of Kansas hospital grant.

<https://www.kha-net.org/CriticalIssues/HospitalPreparedness/covid-19/covid-19-funding-resources/>

The **Kansas Medical Society** offers a variety of resources specific to medical professionals.

<https://www.kmsonline.org/resources/covid-19-resources>

BKD CPAs & Advisors has included among its resources a webinar for healthcare providers and the cares act.

<https://www.bkd.com/covid-19-resource-center>

<https://www.bkd.com/resource/2020/03/covid-19-resources-healthcare>

<https://www.bkd.com/webinar/2020/04/healthcare-providers-cares-act>

PYA is a consulting firm that provides a variety of resources and webinars for addressing financial issues and opportunities during the COVID-19 process. Their *COVID-19 Quick Guide* provides an overview of relief funding, loan sources and obligations. They also provide several webinars for sole practice physicians, *Physician Practices Survival Tactics*.

<https://www.pyapc.com/covid-19-hub/>

<https://www.pyapc.com/insights/covid-19-quick-guide-relief-funding-loan-sources-obligations/>

<https://www.pyapc.com/insights/physician-practices-survival-tactics-covid-19/>

Kansas Hero Relief funds provides financial assistance for low-income essential workers to access childcare. Healthcare workers and first responders are eligible to apply.

<http://ksherorelief.com/>

III. Mental Health

Substance Abuse and Mental Health Services Administration (SAMHSA) has a variety of resources on their coronavirus page including SAMHSA funded grants and guidance on continuing treatment.

<https://www.samhsa.gov/coronavirus>

SAMHSA also has a tip sheet on **Virtual Recovery Programs**. Included in the tip sheet are sobriety resources and steps for setting up a virtual meeting.

<https://www.samhsa.gov/sites/default/files/virtual-recovery-resources.pdf>

The National Council for Behavioral Health has a variety of tools and resources for addressing COVID-19 including: guidance for behavioral health facilities, tax incentives and loans, financial supports for providers, telehealth, certified community behavioral health resources, Medicare and Medicaid policy changes and HIPAA information.

<https://www.thenationalcouncil.org/covid19/>

Suicide Prevention Resource Center has compiled a list of resources and information sheets on coping with the effects of COVID-19, including resources for businesses and community leaders.

<https://www.sprc.org/covid19>

American Psychology Association has resources for psychologists, health care workers and the public. The APA website has a grant resources page that outlines potential research opportunities.

<https://www.apa.org/topics/covid-19>

<https://www.apa.org/topics/covid-19/funding-research-opportunities>

IV. Public Health

The **National Governor's Association** created recommendations for state and local governments in the *Road map to Recovery, a public health guide for Governors*. The report outlines building the public health infrastructure, strengthening surveillance, scaling capacity, the healthcare system, and creating a plan to reopen the economy. Additional resources are included with each step.

<https://www.nga.org/wp-content/uploads/2020/04/NGA-Report.pdf>

<https://www.nga.org/coronavirus/>

Association of State and Territorial Health Officials has a variety of resources on their website. ASTHO created *A Coordinated, National Approach to Scaling Public Health Capacity for Contact Tracing and Disease Investigation* to aid states and communities in reopening planning.

<https://www.astho.org/COVID-19/A-National-Approach-for-Contact-Tracing/>

<https://www.nga.org/coronavirus/>

The **Kansas Health Institute** features policy and research updates impacting public health.

<https://www.khi.org/>

V. Small Business

The **Kauffman Foundation** has a small business resource guide on their website. *A guide to helping small businesses navigate and recover from the COVID-19 crisis* explores Small Business Association opportunities and other options.

<https://www.kauffman.org/currents/a-guide-to-helping-small-businesses-covid-19/>

The **Duke Foundation** is compiling resources for organizations impacted by the coronavirus, including small businesses. Their webpage is focused on compiled lists of resources from multiple organizations to facilitate searching for opportunities.

<https://www.appsheets.com/start/b623f7ad-9fc1-4f97-9d0e-f44983032d2a#appName=COVIDResource-1340872&group=%5B%7B%22Column%22%3A%22Host+Organization%22%2C%22Order%22%3A%22Ascending%22%7D%2C%7B%22Column%22%3A%22Location%22%2C%22Order%22%3A%22Ascending%22%7D%5D&page=fastTable&sort=%5B%7B%22Column%22%3A%22Host+Organization%22%2C%22Order%22%3A%22Ascending%22%7D%2C%7B%22Column%22%3A%22Resource+Name%22%2C%22Order%22%3A%22Ascending%22%7D%5D&table=Lists&view=Resources+that+Include+Lists+of+More+Resources>

US Chamber of Commerce Foundation is compiling the corporate responses to the COVID-19 crisis. The website includes global, national and regional responses. The resources in the corporate aid tracker are extensive and include multiple sectors depending on the focus of the corporate giving. Search options by aid type include: community support, education resources, food insecurity, medical supplies, small business relief, technology support, and worker relief.

<https://www.uschamberfoundation.org/aid-event/corporate-aid-tracker-covid-19-business-action>

US Chamber of Commerce also offers a guide to all the SBA programs available including Paycheck Protection Program, Economic Injury Disaster Loans (emergency \$10,000 cash advance grant), guide to reopening your business, tax changes, and Families First. Each subject has a guide and additional resources. The website also offers a small business town hall event weekly.

<https://www.uschamber.com/co/start/strategy/cares-act-small-business-guide>

The **Kansas Chamber of Commerce** has Frequently Asked Questions for a variety of programs, phases of the federal response and Kansas specific responses. The resource page also offers workplace guidance, webinars, business resources, and health related resources.

<http://www.kansaschamber.org/covid-19/>

Small Business Administration

In addition to the Paycheck Protection Program offered through the Cares Act, the **Economic Injury Disaster Loan** was an already existing program. Included in the program is a \$10,000 emergency grant opportunity. The original program had a \$200,000 limit and that may now be \$25,000. This program is available for businesses with fewer than 500 employees and nonprofits. Currently accepting agricultural applications. For additional information on SBA programs, see the SBA resource in the federal section.

<https://covid19relief.sba.gov/#/>

<https://www.sba.gov/page/disaster-loan-applications>

Kansas Small Business Development Center (SBDC) has a tips, resources, training events and webinars, and additional resources. Also included is a link to the SBDC in Alabama with a *Small Business Marketing during COVID-19* guide.

<https://www.kansassbdc.net/covid19>

https://33df357c-afb3-44d0-a3d7-ea5127deedc8.filesusr.com/ugd/c942ff_e285df7ada544456ae10237a4d8e2369.pdf

State of Kansas - Ad Astra: A Plan to Reopen Kansas lists a variety of industry sectors and links to general guidance for that industry.

https://33df357c-afb3-44d0-a3d7-ea5127deedc8.filesusr.com/ugd/c942ff_22bc7c06f4564cf5b294921e99a202f0.pdf

Centers for Disease Control and Prevention provides resources specifically for businesses and workplaces including: ongoing mitigation guidance, prevention and support, and communication resources.

<https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html>

Google for Small Business has tips and resources for small businesses. Google is offering existing customers Google Ads credits. The Stand for Small section provides business opportunities from corporate partners supporting small businesses. Tips include: communications with customers, adjusting your advertising, adapting to new customer behavior, running a business remotely, and digital skills training.

https://smallbusiness.withgoogle.com/news/resources-for-smbs-impacted-by-coronavirus/?zippyExpand=true&utm_expid=.ZNWUKCwxSmSr6gqI0A5nSQ.1&utm_referrer=https%3A%2F%2Fwww.google.com%2F#!/

http://www.standforsmall.com/?zippyExpand=true&utm_expid=.ZNWUKCwxSmSr6gqI0A5nSQ.1&utm_referrer=https%3A%2F%2Fwww.google.com%2F

WBENC provides resources for women-owned businesses. Sections include: resources in my area, financial aid options, business support, government & policy updates, WBE COVID-19 suppliers, and WBE to WBE support.

<https://www.wbenc.org/covid19>

Service Corps of Retired Executives (SCORE) has created a coronavirus small business resource hub. Included in the resources are real-time mentoring, preparing your business to restart, 12 things to do now to save your business, national resources and policies, Q&A with members, financial resources, working remotely, promoting products online and e-commerce, building resilience, closing a business, succession planning, and federal resources.

<https://www.score.org/coronavirus>

Hartford created a *Small Business Assistance Guide: COVID-19 Resources and Relief Options* to highlight federal and local programs, and a list of nonprofits and corporate giving programs providing small business assistance.

<https://sba.thehartford.com/business-management/covid-19-small-business-assistance/>

Federal Express created a business resource page to support small business. Among the resources is a white paper on effective digital strategies and e-commerce.

<https://www.fedex.com/en-us/coronavirus/small-business-resources.html>

https://www.fedex.com/content/dam/fedex/us-united-states/Small-Business-Center/images/2020/Q4/Coronavirus_Crisis_Report.pdf

McKinsey & Company created a page to discuss implications for businesses. McKinsey provides weekly global health reports and has published 70 articles on public health and the economy.

<https://www.mckinsey.com/business-functions/risk/our-insights/covid-19-implications-for-business>

Helping Others Support Topeka (HOST) buys gift cards from local Topeka businesses and gives to furloughed workers.

<https://supporttopeka.com/host/>

VI. Food Security

USDA has provided two COVID-19 resource pages. The grants division page has grants and opportunities, as well as the legislation. The second resource outlines the Coronavirus Food Assistance Program, including FAQs and additional information on a wide variety of USDA programs.

<https://www.ams.usda.gov/services/grants/grants-division-covid19-resources>

<https://www.usda.gov/coronavirus>

VII. Community Nonprofits

The **National Council of Nonprofits** provides a variety of resources including: resources for funding, equity, advocacy, and technology. Included in the materials is a section on federal funding and loan programs available to nonprofits and a webinar about how to navigate those resources, specifically the Cares Act, Paycheck Protection Program Loans, and Families First.

<https://www.councilofnonprofits.org/nonprofits-and-coronavirus-covid-19>

<https://www.youtube.com/watch?v=q7mN77OW2uo&feature=youtu.be>

Nonprofit Quarterly outlines *How Nonprofits Can Utilize the New Federal Laws Dealing with COVID-19*. In the article, each aspect of the legislation is viewed from the nonprofit organization lens.

<https://nonprofitquarterly.org/how-nonprofits-can-utilize-the-new-federal-laws-dealing-with-covid-19/>

Nonprofit Connect is a resource for nonprofits in Kansas City, but many of the resources apply to other areas of Kansas. Included on the website are survey results for how COVID-19 is affecting Kansas City nonprofits, how to prepare for the impact, federal relief programs for nonprofits, and national funding opportunities. The website also lists sections on human resources & employee benefits, working remotely, communication, events & programs, fundraising, operations & business continuity, self-care, and the Kansas City Community Response.

<https://www.npconnect.org/covid/>

Foundation Search provides resources for grant, fundraising education and grant development services. The database includes 131,000 foundations with funding history, preferences and contact information.

<http://www.foundationsearch.com/>

The **Bridgespan Group** provides resources on navigating the COVID-19 crisis and the economic downturn. Topics include contingency planning, organizational examples, effective leadership, financial health, and general information.

<https://www.bridgespan.org/insights/library/strategy-development/covid-19-coronavirus-for-nonprofits>

Bloomerang has compiled an extensive list of tips and resources for nonprofits with a focus on fundraising. The webpage also includes a section on legislation, fundraising success stories, groups, other curated lists of resources, examples and templates for fundraising, webinars, and discounts and offers.

<https://bloomerang.co/resources/covid19/>

Inside Philanthropy offers fundraising tips in their article, *As COVID-19 Pushes Some Nonprofits to the Brink, at What Point Do Donors Abandon Ship?*

<https://www.insidephilanthropy.com/home/2020/5/7/as-covid-19-pushes-some-nonprofits-to-the-brink-at-what-point-do-donors-abandon-ship>

Work Less Raise More created *How to write an Emergency E-Appeal if you're your organization is being affected by the Coronavirus.*

<https://worklessraisemore.com/coronavirus-e-appeal/>

LinkedIn created *How to Keep Your Fundraising from Stalling during the COVID Crisis.*

<https://www.linkedin.com/pulse/how-keep-your-fundraising-from-stalling-during-covid-hartjes-cfre>

Forbes created *Coronavirus and Your 2020 Fundraising Goals: What Nonprofits Need to Know*.

<https://www.forbes.com/sites/alyssawright/2020/03/11/coronavirus-and-your-2020-fundraising-goals-what-nonprofits-need-to-know/#66280d223231>

Hester Street created a *Guide for Nonprofit Capital Project During COVID19*.

<http://hesterstreet.org/2020/04/guide-for-nonprofit-capital-projects-covid-19/>

Giving Compass and National Center for Family Philanthropy have created a search engine by category and geographic location for 467 funds.

<https://givingcompass.org/coronavirus-covid19>

Candid provides a resources page with funding opportunities, funding summary and news items. While the resource is geared toward nonprofits and coronavirus funding, there is a section for individuals and small businesses.

<https://candid.org/explore-issues/coronavirus>

Council on Foundations has a google doc with the response plans of members. The document is searchable by location. The document includes a brief description and link to the organization.

https://docs.google.com/spreadsheets/d/e/2PACX-1vT3YOH_tCxOTw1P0ZTdVnnGdNsULENdaZ36mUnL8TwN8xzgjQ3oXFal93YYgrNHOTamHB0Deagn3DGe/pubhtml

The **Moran Company** created *5 Tips for Nonprofits Navigating a New Normal Post COVID-19*. Tips include: focus on the mission, over communicate, financial strategies, planning, and organizational leadership.

<https://morancompany.com/5-tips-for-nonprofits-navigating-a-new-normal-post-covid-19/>

University of Missouri-Kansas City Midwest Center for Nonprofit Leadership developed a Nonprofit Navigation Series. Sessions are one-hour and free to attend. Topics include: Understand the problem, don't just offer your solution; selecting solutions, moving beyond dotocracy and group affinity, experimenting for success; and storytelling with data.

<https://bloch.umkc.edu/mcni/programs/nonprofit-navigation-series/>

VIII. Arts and Culture

The **National Endowment for the Arts** discusses the Cares Act Guidelines and the grant program specifically for nonprofit Arts organizations.

<https://www.arts.gov/grants-organizations/CARES/grant-program-description>

IX. Parks and Recreation

National Recreation and Park Association has compiled resources in the areas of slowing the spread, path to recovery and the essential role of parks and recreation. Included in the path to recovery section is a resource database of national and local reopening resources.

<https://www.nrpa.org/our-work/Three-Pillars/health-wellness/coronavirus-disease-2019/>

<https://www.nrpa.org/our-work/Three-Pillars/health-wellness/coronavirus-disease-2019/path-to-recovery/resource-database-national-and-local-reopening-resources/>

The **Urban Park and Recreation Recovery Program** has been in existing since 1978. The resource below provides an overview of the program and its mission.

<https://parkplanning.nps.gov/showFile.cfm?projectID=83280&MIMEType=application%252Fpdf&filename=UPARR%20Overview%20and%20Examples%2Epdf&sfid=347174>

X. Faith Communities

The Center for Faith and Opportunity Initiatives of the US Department of Health and Human Services created a resource guide of mental health resources, federal resources, and tools to support clergy in addressing community needs and mental health.

<https://www.hhs.gov/sites/default/files/4-2-2020-mental-health-covid-final.pdf>

Christian Connections for International Health has a resource page for faith-based organizations including suggestions for online services, messages, resources for churches, and planning templates with resources from a variety of denominations.

https://www.ccih.org/cpt_resources/covid-19/

XI. Federal Resources and Guidance

Centers for Disease Control and Prevention (CDC) is the authority on best practices during the coronavirus crisis. Sections on the coronavirus page include: what to do if you get sick, public health responses, case surveillance, recommendations for keeping communities safe, and latest updates. The website lists over 100 guidance documents, including guides for small businesses.

<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

<https://www.cdc.gov/coronavirus/2019-ncov/communication/guidance-list.html?Sort=Date%3A%3Adesc>

<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>

Small Business Administration (SBA) offers a *Coronavirus (COVID-19) Small Business Guidance & Loan Resources* to navigate funding options, guidance for businesses and employers, local assistance, relief efforts, products and resources, and government contracting. Funding options include the Paycheck Protection Program, EIDL Loan Advance (now agricultural only), SBA Express Bridge Loans, and SBA Debt Relief.

<https://www.sba.gov/page/coronavirus-covid-19-small-business-guidance-loan-resources>

<https://www.sba.gov/funding-programs/loans/coronavirus-relief-options>

<https://www.sba.gov/funding-programs/disaster-assistance/coronavirus-covid-19>

<https://www.sba.gov/page/disaster-loan-applications>

US Department of Labor has a coronavirus resource page that addresses: workplace safety; wages, hours and leave; unemployment insurance flexibilities; support for dislocated workers; job corps students; injured federal workers; federal contractors; and supporting workforce needs in the agricultural sector.

<https://www.dol.gov/coronavirus>

Federal Emergency Management Agency (FEMA) provides a variety of resources including: news, resources for patients & healthcare workers, disaster declarations, economic support & recovery, understanding data, how to help, rumor control, and best practices. The economic support & recovery section discusses the CARES Act, FEMA Assistance, other agencies and frequently ask questions.

<https://www.fema.gov/coronavirus>

<https://www.fema.gov/coronavirus/economic>

<https://www.fema.gov/coronavirus/rumor-control>

USA.gov offers the latest updates on the government's response to the coronavirus. The resource includes tips and links to federal resources.

<https://www.usa.gov/coronavirus>

The **US Department of Agriculture** (USDA) has a \$19 billion immediate relief program to assist farmers, ranchers, maintain food supply chain and ensure food access.

<https://www.usda.gov/media/press-releases/2020/04/17/usda-announces-coronavirus-food-assistance-program>

<https://www.usda.gov/media/press-releases/2020/03/10/secretary-perdue-announces-proactive-flexibilities-feed-children>

The **US Department of Health and Human Services** (HHS) is distributing \$100 billion in relief funding through the CARES Act to healthcare providers.

<https://www.hhs.gov/coronavirus/cares-act-provider-relief-fund/index.html>

The **US Department of Housing and Urban Development** offers CARES Act flexibilities including mortgage payment relief on FHA loans and other resources, temporary suspension of eviction in FHA or HUD housing, and community development block grants.

<https://www.hud.gov/coronavirus/homeowners>

<https://www.hudexchange.info/resource/6018/cares-act-flexibilities-for-cdbg-funds-used-to-support-coronavirus-response/>

<https://files.hudexchange.info/resources/documents/CARES-Act-Flexibilities-CDBG-Funds-Used-Support-Coronavirus-Response.pdf>

The **US Department of Education** provides information and resources for schools and school personnel. Student loan interest is suspended for up to 60 days, no action needed.

<https://www.ed.gov/coronavirus>

<https://www.ed.gov/news/press-releases/delivering-president-trumps-promise-secretary-devos-suspends-federal-student-loan-payments-waives-interest-during-national-emergency>

The **Federal Communication Commission** (FCC) is working on the *Keep Americans Connected Pledge* to ensure access to broadband and telephone services.

<https://www.fcc.gov/keep-americans-connected>

XII. State of Kansas Resources and Guidance

The **Kansas Office of the Governor** has outlined the 4-phased plan for reopening Kansas and guidelines for businesses by industry. Governor Kelly has frequent press releases. Archived press conferences are on the KDHE website coronavirus page.

<https://www.kansascounties.org/resources/covid-19/reopen-kansas-framework-v4.pdf>

<https://www.kansascounties.org/resources/covid-19/reopening-kansas-business-guidance.pdf>

<https://governor.kansas.gov/newsroom/press-releases/>

The **Kansas Department of Health and Environment** provides daily updates on the COVID-19 cases in Kansas. The response page also has A Plan to Reopen Kansas, travel information and press conferences with Governor Laura Kelly and Secretary Lee Norman, M.D.

<https://www.coronavirus.kdheks.gov/>

The **Kansas Department of Commerce** provides announcements, tools for jobseekers and employers, additional resources, positive news stories from Kansas businesses, and web meetings & events.

<https://www.kansascommerce.gov/covid-19-response/>

<https://www.kansascommerce.gov/covid-19-response/kansas-businesses-bring-good-news-during-covid-19/>

<https://www.kansascommerce.gov/covid-19-response/web-meetings-events/>

The **Kansas Department of Children and Families** (DCF) offers COVID-19 guidance for DCF programs. Programs include: prevention and protective services, child support services, rehabilitation services, economic and employment, and licensing. Individuals can check eligibility and apply for food assistance, cash assistance and child care assistance online.

<http://www.dcf.ks.gov/COVID19/Pages/default.aspx>

<https://cssp.kees.ks.gov/apspssp/sspNonMed.portal>

[http://www.dcf.ks.gov/services/ees/Pages/USDA-Commodity-Programs/Emergency-Food-Assistance-Program-\(TEFAP\).aspx](http://www.dcf.ks.gov/services/ees/Pages/USDA-Commodity-Programs/Emergency-Food-Assistance-Program-(TEFAP).aspx)

Kansas Hero Relief Fund through **DCF** provides financial assistance for low-income essential workers to access childcare. Healthcare workers, first responders, food and agriculture workers, judicial branch, National Guard are eligible to apply. Monthly income limit is 250% of federal poverty limit. The limit for a family of four per month is \$5,458.

<http://ksherorelief.com/>

The **Kansas Department of Labor** has resources for employers and workers. The employer section offers additional resources layoff filing by spreadsheet, workplace safety, shared work, and unemployment insurance spreadsheet filing. For workers, there's information on filing for unemployment, and wage and hour questions.

<https://www.dol.ks.gov/covid19response>

<https://www.dol.ks.gov/employers>

The Kansas Department of Agriculture has resources

XIII. Foundations and Grant Opportunities

The Duke Foundation is compiling resources for organizations impacted by the coronavirus, including small businesses. Their webpage is focused on compiled lists of resources from multiple organizations to facilitate searching for opportunities.

<https://www.appsheet.com/start/b623f7ad-9fc1-4f97-9d0e-f44983032d2a#appName=COVIDResource-1340872&group=%5B%7B%22Column%22%3A%22Host+Organization%22%2C%22Order%22%3A%22Ascending%22%7D%2C%7B%22Column%22%3A%22Location%22%2C%22Order%22%3A%22Ascending%22%7D%5D&page=fastTable&sort=%5B%7B%22Column%22%3A%22Host+Organization%22%2C%22Order%22%3A%22Ascending%22%7D%2C%7B%22Column%22%3A%22Resource+Name%22%2C%22Order%22%3A%22Ascending%22%7D%5D&table=Lists&view=Resources+that+Include+Lists+of+More+Resources>

US Chamber of Commerce Foundation is compiling the corporate responses to the COVID-19 crisis. The website includes global, national and regional responses. The resources in the corporate aid tracker are extensive and include multiple sectors depending on the focus of the corporate giving. Search options by aid type include: community support, education resources, food insecurity, medical supplies, small business relief, technology support, and worker relief.

<https://www.uschamberfoundation.org/aid-event/corporate-aid-tracker-covid-19-business-action>

Google for Small Business has tips and resources for small businesses. Google is offering existing customers Google Ads credits. The Stand for Small section provides business opportunities from corporate partners supporting small businesses. Tips include: communications with customers, adjusting your advertising, adapting to new customer behavior, running a business remotely, and digital skills training.

https://smallbusiness.withgoogle.com/news/resources-for-smbs-impacted-by-coronavirus/?zippyExpand=true&utm_expid=.ZNWUKCwxSmSr6gqI0A5nSQ.1&utm_referrer=https%3A%2F%2Fwww.google.com%2F#!/

http://www.standforsmall.com/?zippyExpand=true&utm_expid=.ZNWUKCwxSmSr6gqI0A5nSQ.1&utm_referrer=https%3A%2F%2Fwww.google.com%2F

The **Nonprofit Finance Fund** has developed *COVID-19 Tools and Resources for Nonprofits*. Included in the resources are insights, tools and how-to videos, resources, SBA/PPP Resources, and Webinars.

<https://nff.org/covid-19-tools-and-resources-nonprofits>

Grantspace by **Candid** has resources for nonprofits, individuals, artists, small business and international aid.
